

DISTRICT 41 CLUB TRAVEL CONEST

July 1,2024 - March 15, 2025

There is no better way to learn and exchange ideas than to visit other Lions Clubs. To enjoy the camaraderie of friendship and the exchange of ideas by club visitations is an integral part of our Lions program.

Each Club should notify the club to be visited well in advance and tell them the number of Lions to expect.

Two Lions per visitation team are the minimum for travel points.

All Lions except the DG, 1st & 2nd VDGs, or ZCs will count towards the travel contest.

Visitations can include meetings and other club activities such as fundraisers, fairs, etc.

Extra points for revisits to a Club will not be given until visits to all clubs in the district have been completed.

VISITATION POINT SYSTEM:

Club Visits within the District - 10 points per visit

Outside of District Visits - 5 points per visit

REPORTS FOR THE YEAR MAY BE Monthly Or SUBMITTED ALL AT ONE TIME.

REPORTS MUST BE POSTMARKED OR EMAILED BY MARCH 15TH
